

Strong & Safe Plus Ani-Gel

Anilox Roll Cleaning Gel

Our most powerful, yet still safe gel anilox roll cleaner. Specifically engineered to clean the most difficult water-based inks.

Strong & Safe Plus Ani-Gel works fast and effortlessly to dissolve the most stubborn water-based ink away in seconds. Simply apply gel at 100% concentrated form, let it sit and soak into the roll. Watch old dried water-based ink melt away. Strong & Safe Plus Ani-Gel is highly concentrated with a blend of safe solvents and active soaps.

- Now deep-clean anilox rolls in-machine to reduce downtime and increase production output
- Restores anilox rolls to maximum cell volume
- Proven and time-tested to never damage any chrome or ceramic anilox roll
- Removes all dried water-based ink
- Performs as a daily or periodic cleaner
